# Реанимационные маски

## Техническое описание

## Summary of face masks

### ® UltraSeal disposable face mask

- DEHP free
- 7 sizes
- Specifically designed for use within anaesthetic departments
- Disposable
- With or without control valve
- 3 year shelf life

### ® King Mask disposable face mask

- Market Leading Design
- Cushion is pliable and tacky to the touch, for an excellent face seal
- Ribbed on top of the cushion, for a no-slip grip
- Anatomically shaped cuff enabling a tight seal with minimum applied pressure
- Flexible dome
- Clear dome for easy observation of the patient's condition
- Latex free
- MR Safe
- Phthalate-free material
- Color-coded hook rings for easy size identification\*

### ® Disposable face mask

- DEHP free
- 6 sizes
- These disposable masks are designed for use with both manual and automatic resuscitators
- Disposable
- With or without control valve
- 3 year shelf life

## Additional information:

The and King Systems face masks are 100% latex and DEHP free.

Most of our masks are available with and without a check valve.

\* Not available for sizes 1 and 2.

## ® UltraSeal face masks

The UltraSeal face mask is an anatomically correct disposable face mask designed specifically for anaesthetic departments.

It is a single use disposable face mask that comes both with and without a check valve. Sizes 3, 4, 5 and 6 come with a hook ring for attachment of the mask with a strap. The current range consists of 4 paediatric sizes, and 3 adult sizes up to size 6 Large Adult.

### Features and Benefits:

- Transparent and crystal clear dome secures easy observation of the patient's condition during use
- Very soft anatomically shaped cuff that enables a tight seal with a minimum of pressure applied.
- Colour code on the package for quick and easy size identification
- All sizes are individually delivered in a clean medical box of 20 pieces total , or as single units.
- Hook ring on all versions apart of the neonate and infant dimensions. The hook ring can simply be removed if not needed
- Phthalate-free material. DEHP free. Does not contain natural rubber latex

## ® King Mask disposable face masks

Because of the innovative quality design of the ® King Mask, it is the market leading anaesthesia mask design available today. The ® King Mask has a thin and tacky cushion which improves the ability to create a ventilation seal on a variety of patients. The design with rounded edges secures a smooth grip and user comfort. The ® King Mask is made of phthalate-free PVC

material for patient and user safety. Furthermore, the ® King Mask can be used in a MR environment, as it is MR Safe.

The ® King Mask is also available in a scented version with Fresh Scent, Bubble Gum, Strawberry and Cherry scents. The Sweet Dreams™ masks release soothing aroma from natural oils in mask cushion.

### Features and Benefits:

- Cushion is extremely pliable and tacky to the touch, for an excellent face seal
- Anatomically shaped cuff enabling a tight seal with minimum applied pressure
- Clear dome for easy observation of the patient's condition
- Ribbed on top of the cushion, for a no-slip grip
- Flexible, self-expanding dome
- Color-coded hook rings for easy size identification\*  
\*Not available for sizes 1 and 2

## ® Disposable face masks

The disposable face mask is an anatomically shaped mask designed for use with manual and automatic fans and ventilators.

The mask comes in an assortment of 6 different sizes, and comes with or without a control valve, providing a good seal and minimum pressure on the patient.

### Features and Benefits:

- Thumb Support for user convenience
- Soft, moulded, air filled edge to tightly fit on the face of the patient
- Crystal clear dome for easy observation of the condition of the patient
- For use with a single patient. Time-consuming cleaning, sterilisation and disinfection procedures are not necessary. The potential risk of cross infection is excluded.
- Hook ring on all versions apart from the neonate and infant dimensions. The hook ring can be removed if not needed
- Phthalate-free material. DEHP free. Does not contain natural rubber latex
